

Is it for me?

Our volunteers make our world go around!

If you enjoy being busy, having fun, meeting new people and learning new skills while helping others and making a difference in the community then volunteering is the answer.

We welcome new volunteers to be involved in many different programs of South Eastern Community Connect, and would love to find a suitable place within our team for you.

You can never give too little time!

Why volunteer with us?

Our volunteers make our world go around.

As a volunteer you make an invaluable contribution to the Centre's activities and are highly valued and respected members of our team.

Anybody from the age of 18 can be a volunteer, and all we ask is that you bring your passion and commitment to the role you seek.

In turn, we will support you with best practice, volunteer training and our dedicated Volunteer Coordinator to make the most of the experience for you.

Call us to arrange an interview, discuss your application and determine the most appropriate volunteer activity for you, based on your availability, interest, skills and abilities.

Who is South Eastern Community Connect?
