Sewing Classes for Parents

- Learn to use sewing and overlock machines.
- Learn to take your children's measurements.
- Make alterations like shorten length and change zippers.
- Sew children's clothes such as shorts, pyjamas and T-shirts.
- Make library and pencil bags.
- Use a pattern to make a garment.

Classes run during school terms.

Machines and tools are provided, but participants will need to buy material of their choice for their final project.
